WEB DEVELOPER

Finds assisting others with their skills and goals gratifying. Experience with people in a group setting as well as on an individual level for collaboration and interpersonal growth. Strong skills in writing, editing, administrative duties, and coordination. Eager to continue learning and developing in my new endeavor in web development.

CORE COMPETENCIES

- | | | |
|-------------------|-------------------------------|--------------------|
| ◆ Adaptable | ◆ Interpersonal Communication | ◆ Critical Thinker |
| ◆ Active Listener | ◆ Express.js | ◆ Node.js |
| ◆ Writing | ◆ HTML | ◆ CSS |
| ◆ Organized | ◆ Time Management | ◆ JavaScript |

PROFESSIONAL EXPERIENCE

- Strong ability to connect with people on an individual level while maintaining a professional manner.
- Nourished customer connections to provide the best experience possible for each customer during their visit.
- Maintained clean store front during peak and slower hours of the day.
- Oversaw administrative duties such as course review for relevant Writing Intensive Curriculum (WIC) courses.
- Archived and digitized every issue of the WIC Newsletter.
- Designed surveys for Oregon State University alumni regarding their experiences with the WIC program.
- Coordinated the Writing Intensive Curriculum 25th Anniversary celebration.
- Maintained author schedules for book tours and signings for Oregon State University Press.
- Managed a blog for the University Press, including but not limited to interviewing with authors and editing manuscripts.
- Assisted students with writing, editing and research at the Oregon State University Undergraduate Research and Writing Studio following the theories found in Studio Pedagogy.
- Collaborated with faculty and staff for new techniques in course work.
